Subject: DS&G PFCs Sampling Work Plan
Attachments: DS&G PFCs Sampling Work Plan.pdf

Hi Debbie,

Please find attached the work plan for sampling and analysis of PFCs at the DS&G Site. Our routine semi-annual monitoring event will begin on September 26, 2016 and is expected to last three weeks. We will initiate sampling of selected wells for PFCs late next week.

Please let us know if you have any questions or need additional information.

Thanks, Theresa
